

8th Annual Bulldog Invitational Track & Field Meet
hosted by Yellow Springs HS
Friday, May 9th, 2008

The 8th Annual Bulldog Invitational Track & Field Meet was held Friday, May 9th, at Yellow Springs High School. The Bethel Bees were the winners of both divisions with the host Bulldogs second in the men's competition and Springfield Shawnee runner-up in the women's race. Five meet records were set despite the driving rain storm that dampened the typically high level competitions for which the Bulldog Invitational has been known.

In the Men's competition Yellow Springs' 4x800 squad of Brock Gunderking, Alexis Onfroy, Jake Gunderkline and Andy Peters popped an 8:16.0 to erase the one year old record also held by the Bulldogs of 8:16.7. Then coming back in his second event of the night Jake Gunderkline, a Nike HS T&F All American in the race walk, smashed the old mark of 3:36.8 held by Mt. Vernon High school's Patrick Shaffer. Gunderkline, a junior, walked the half mile in 3 minutes and 26.5 seconds.

Three different schools shared the records in the Women's meet. The Bethel Bees' Ashley Swackhammer broke her own record in the 100m Hurdles by 2 tenths of a second with her 16.1 traversal of the sticks. Elaina Cromer, who also won the 100 and 200 dashes, grabbed the 400m dash honors in 62.8 seconds. Cromer has turned the Miami Valley School into a Division III powerhouse in track this season. And Springfield Shawnee's Mandy Lease upped the meet record in the discus to 99'11" despite the slippery conditions due to the rain.
